BUSINESS OVERVIEW

Nutaria, is a family owned and run nut company which was established in 2013. Since then the business has pivoted its operation to primarily focus on importing and exporting Macadamia Nuts, Cashew Nuts, Pecan Nuts, Peanuts and Sugar Beans and processing of Macadamia oil.

This shift has seen the business now establish itself a global footprint where clientele in Germany, The Netherlands, France, Lithuania, China and New Zealand enjoy the Nutaria promise and delectable nuts and oils.

Through our growth over the past 13 years, Nutaria has worked with hundreds of farmers across many geographical regions in Africa. These include: South Africa, Zimbabwe, Malawi, Kenya and Tanzania.

We believe in growing together with our farmers, to put Africa on the global map and to provide our global customers with the best possible product. The business now sells over 100 tonnes of macadamia nuts and has commitments to deliver over 100 tonnes of pecans and cashews to the world. Thus supplying the growing demand for this healthy and nutritional snack on a global scale.

ABOUT US

Nutaria is one of the few black owned agro-processing company in South Africa. It has been identified as such and featured in many media publications across the country where the founder's story from pivoting from a Lawyer to a Nut Mogul.

In operation for over 13 years now the business has streamlined operations to import and export of Macadamia Nuts, Cashew Nuts, Pecan Nuts, Peanuts and Sugar Beans and processing of Macadamia oil.

The brand is South African but now has a global footprint spanning across Africa, Europe and Asia.

MISSION

Nutaria's mission is to help develop and grow small scale farm operations across Africa, uplifting farmers and its communities through the trade of nuts and its by-products.

We want to ensure that every hand in the process is rewarded with adequate and fair payment, further investment in farming to develop the specific regions and human capital development.

VISION

Nutaria's vision is to be the leading trader and processor of macadamia nuts and all its value add products in South Africa by the year 2030.

We want to be Africa's number one nut partner.
